FOR USE IN NON-COMMERCIAL BROADCASTS ONLY

U. S. DEPARTMENT
OF AGRICULTURE

SPECIAL

(To be used during week of July 21, 1941)

There's a new kind of decoration beside many kitchen doors this week: a pile of aluminum pots and pans-----waiting to be put to use for national defense. Every homemaker is giving her aluminum utensils, all she can spare, in this nation-wide campaign to collect aluminum. Some member of the collecting committee in your community will be around to collect your aluminum. Be sure to have it ready.
